Dear Parents,

As we reflect on our school year there have been many exciting times shared together, much growth and development in each child and a strong sense of community which makes the Berry Patch a special place. We are thankful for each family and the wonderful support you have given to our staff.

We have a new look! We are pleased to introduce you to our brand new logo design & website! Check it out: BerryPatchSchool.com. You will see changes in the fall as a returning family with our communication. We have listened & feel excited about the website's capabilities!

Thank you parents & grandparents who chaperoned our Gale Wood Farm trip. It was awesome! The combination of education & hands on activities make it a memorable experience for all! I encourage you to check their website for wonderful family activities, including day camps.

We also thank you for participating in C.S.O. (Children Serving Others) this year. Many lives have been touched by your generosity! May we all continue to reach out to others during the summer months to make a difference in our communities & the world!

We will have t-shirt sign-ups with our new design this week by the sign-in books.

The final Lunch Bunch will be Friday, May 15. All accounts must be paid in full by the last day of Berry Patch, May 29.

As we conclude our 25th school year I feel richly blessed to have had the privilege of loving & educating your children. May your summer be filled with lots of fun family times and relaxing days together.

Love and Blessings,
