

# Summer 2021 at The Berry Patch!

We are excited to offer a new format for Camp Sizzleberry for Summer 2021! We have planned two action-packed three-week sessions for 3 to 5 year-olds along with our Kindergarten Boot Camp, Jamberries. *All sessions INCLUDE LUNCH BUNCH.*

## **SESSION 1: Little Time Travelers and Tell Me a Story! June 8-10, 15-17, and 22-24, 9am-1pm** ***Includes activities from both themes below***

**Little Time Traveler** History comes alive as we magically travel through time in this action-packed camp. We will visit Noah's Ark, and learn about the Kings, Queens of old. Campers will experience early America and the Wild West. Then we will top off our history travels by stopping in 2021, and use our imaginations to travel into the future. We will keep your little campers engaged in learning with games, music, costumes and fun activities.

**Tell Me a Story** Once upon a time . . . and more! We will have exciting authors and great books to share each day with our Sizzle Berry campers, but this camp will go beyond simply reading stories, to introducing your child to the art of storytelling. Puppets, songs and play acting will make stories come alive and give your children the tools and skills to tell their own stories. Your little storytellers will also have a lot of fun writing and illustrating their very own books to take home. And they will all live happily ever after . . .

## **SESSION 2: Sizzlin' Sports and Marvelous Me! July 13-15, 20-22, 27-29, 9am-1pm** ***Includes activities from both themes below***

**Sizzlin' Sports** Welcome to sports FUN Camp Sizzle Berry style! This high energy camp will introduce your little camper to the joys of sports by playing games, enjoying exercise and exploring sports history. Running relays, racing tricycles, and trying new gymnastic moves are just a few of the activities guaranteed to expend some of that little camper energy. In addition to sports fun are wonderful crafts, healthy snacks and great music. Someone might be ready for a nap after class! GO TEAM and Let the Games Begin!

**Marvelous Me** Marvelous Me is all about YOU! This is a child-focused camp where your little camper is the "star". My Body, My Feelings, My Family and Taking Care of ME are all topics we will explore in fun and creative ways. Can you paint with your elbows or toes? How much can you stretch and grow? We'll also learn about simple hygiene, our five senses, the digestive system and healthy eating. We will spend time moving our bodies with some new games, activities and exercises. Why? Because YOU are marvelous!

## **JAMBERRIES: Kindergarten Boot Camp August 3-5, 9am-1pm**

**Back-to-school** is just around the corner and Camp JAMBERRIES is ready! In response to parents' requests we are excited to offer a fun, interactive, JAM-packed 3 days of learning to help transition your Pre-K student to Kindergarten. We will explore topics your child learned in Pre-K and take it to the next level to create confidence as they enter grade school. We will have parent education as part of this camp as well, so caregivers are encouraged to learn about this transition from the experts!

## PAYMENT

You will **not** be required to submit payment with your child's registration. You will be invoiced for summer camp tuition fees via email as follows:

- Session 1 will be included on your April 1 invoice (due April 10.)
- Session 2 &/or JAMBERRIES will be included on your May 1 invoice (due May 10.)

Camp fees are 50% refundable 1 month before the session begins. Fees are non-refundable within one month of session start date.

## \*POTTY-TRAINING

Summer camp schedules, outdoor activities, staffing and classrooms used require that children be fully potty-trained to participate. If your child turns 3 over the summer months or is not yet potty-trained, you may register and check in with us before your payment is due regarding your child's readiness for camp. *We define potty-trained as: Child is wearing underpants (vs. pull-ups or diapers), able to communicate when they need to go, and able to go independently.* We have great resources to encourage you and your child in this process. Let us know if we can support you!
