

REGISTRATION 2021-2022

Our **nationally accredited, state licensed** preschool program provides developmentally appropriate hands-on classroom experiences through a values-rich curriculum to develop the whole child - cognitively, socially, emotionally, and physically. Our classes are offered 9 a.m. -12 p.m., with the exception of our Full-Day Strawberry Class (9 a.m. – 3 p.m.)

Your classroom tuition includes specialist classes. All students, Raspberry-Strawberry, will have a weekly **Music Class** and Huckleberry-Strawberry students will have a monthly **Spanish Class**. Classroom tuition also includes access to our on-site **School Library** and our **Parent Educator** for one-on-one parenting support and parenting events held throughout the year.

In a typical school year, we offer many optional enrichment opportunities including **Lunch Bunch, PM Playmates, Partnership Classes, Language classes**. Blueberries and Strawberries will experience **Field Trips** and all of our Berries will participate in our **special events!** These offerings will be made available to families as we are able according to MDH guidelines regarding COVID-19 at the beginning of the school year.
